The ITE Young Members Committee has adopted a mile in Cobb County, GA. We will be hosting clean-ups every 2 months in order to give back to the community. We will be meeting in the parking lot at Cumberland Mall near the food court at 9:00am. At 9:15am we will begin our clean-up on Cumberland Boulevard. We have trash bags, gloves, warning signs, and safety vests to provide our helpers. If you have a safety vest, please bring it so that we may accommodate anyone who is able to assist last minute.

Please RSVP to Andrea Kennedy at (770) 431-8666 x233 or Andrea.Kennedy@arcadis-us.com

If you would like to be on the Young Members distribution list for upcoming activities and outings, please send an e-mail to Andrea.
